DHS/FEMA-funded course
ENHANCED SPORTS AND SPECIAL EVENTS INCIDENT MANAGEMENT

MGT-440

This course is a scenario-based workshop focusing on incident management, crowd and evacuation management, and risk management. The course is intended to prepare participants for the response to a large-scale incident during sporting or special events. Participants will engage in three, simulation-supported, emergency response exercises to hone individual and team decision-making and management skills.

This course has a limited offering with priority to Division 1A sporting events and large venue special events. Certain criteria for event size must be met prior to scheduling. Scheduling coordinators will work with the requesting entity to determine eligibility.
