DHS/FEMA-funded course

SPORT AND SPECIAL EVENT RISK MANAGEMENT AND PLANNING

AWR-167

Course Overview

The Sport and Special Event Risk Management and Planning course is designed to develop capabilities for multi-agency collaboration pertaining to sport and special event safety and security. Through activity-based training modules, participants will enhance their ability for planning, risk assessment, training, and exercising practices specific to conducting sport and special events. The expectation is for participants to return to their respective organizations and coordinate the development of a sport and/or special event risk management and planning process.

Topics

- Key Planning Terms and Definitions
- Risk Management Considerations
- Risk Assessment Components
- Plan Types
- Information and Intelligence
- Event to Incident Transition
- Training Development and Opportunities
